TSA DRESS CODE

Chapter and state advisors, and parents and chaperones, are responsible for seeing that all TSA student members wear official TSA attire, professional TSA attire, or business casual TSA attire as occasions may require. Official TSA attire and business casual TSA attire are considered appropriate dress for related conference activities and public appearances. Since advisors, parents, and guests serve as role models at TSA conferences and activities, they are expected to dress appropriately for all related occasions they attend. Students must adhere to the TSA dress code requirements as listed below. The official royal blue dress shirt serves as our visual branding for the association. Please, help us to promote the organization by wearing the blue shirt and wearing it correctly (tucked in, buttoned to the top, sleeves buttoned at the cuff).

During general sessions at the state conference, student members are asked to wear official TSA attire. Adults should dress appropriately as well.

TSA contestants must refer to the Total TSA Competitive Events Guides for specific attire required for each competition and in the Competitive Events Attire section of the general rules.
